AS SOON AS YOU MAKE THE DECISION TO BOOK YOUR SESSION, CONTACT ME.

We can discuss the specifics and talk about your vision for your session. This will allow me to get to know you and give me a better idea of what you are looking for. It is important to book as soon as possible to give yourself an adequate amount of time to prepare. My sessions book one -two ore more months in advance so book early to avoid disappointment. Technically, the process is simple, but your lifestyle photos are going to last a lifetime, so it is only logical to take time to consider what you might want from your session.

Our session will range from one to two hours depending on your booked package at our selection location and time. Upon arrival we will go over our schedule, address any last minute questions and then start the shoot. We will plan to experiment with many poses and spots within your chosen location.

After your session, I will begin the photo editing process, including setting up your online gallery. This process generally takes two to three weeks. Once your gallery is complete, I will contact you via email with your link and password. This email will also include product pricing and ordering information.

A pregnant woman with wavy brown hair is standing in a room, wearing a black long-sleeved, form-fitting dress. She is smiling slightly and looking towards the camera. Her hands are resting on her belly. The background features a window with blue curtains and a dark wooden door or wall. The lighting is soft and natural, coming from the window.

CHELSEA IS AMAZING TO WORK WITH. I FELT SO COM-
FORTABLE AND HAD SO MUCH FUN. SHE CAPTURED MY-
FIRST MATERNITY & NEWBORN SESSION AND NOW MY
SECOND. I REFER HER EVERYTIME I CAN TO MY FRIENDS!!!

questions

& A N S W E R S

HOW LONG WILL OUR SESSION LAST?

We offer session packages that range from one to two hour sessions. Our session time will start within five minutes of our agreed upon start time and should end within the same five minute increment.

WHEN DO YOU SCHEDULE SESSIONS?

My sessions are generally offered tuesday - Friday until about an hour before the scheduled sunset, I will schedule a Saturday/Sunday if the date is available and not booked with a wedding.

WHAT IF IT IS RAINING?

I always give an indoor location change as the first choice, but I keep a number of backup dates open in case of bad weather, and there's no fee to reschedule to a new date if it's raining. Weather can be unpredictable, so we can reschedule up to six hours before the session.

WHEN WILL MY PHOTOS BE READY?

This process of editing your photo's and setting up your online gallery generally takes two to three weeks. Once your gallery is complete, I will contact you via email with your link and password. A sneak peak image is always up on my social media within 48 hours.

DO I NEED TO ORDER PRINTED PRODUCTS FROM YOU?

While I do offer a wide variety of printed products at affordable pricing, I do provide a print release, which will allow to print additional images at your printer of choice for personal use. Most clients will invest in purchasing all their digital images after the session.

WILL MY PHOTO GALLERY BE PRIVATE?

Yes, your online gallery will be private and only you and I will have access to the gallery. As soon as I have completed your personal galley, I will provide a password for you.
